GOVT OF MYSORE

TO

C. Narayanaswami Naidu, Esq , B A , B L ,
Secretary to Government, Law Department,
Bangalore.

Sir,

Adverting to your letter No L 6565/MI-79-41-11, dated the 31st January 1942, declining to grant the concession of half the usual rate, viz , 0-8-0 per 1000 gallons without free allowance of water charges to the University Union, Bangalore, on the ground that the Union is classed as a Recreational Institution under the existing rules of water supply to Bangalore City, etc , I am directed to state as follows

The Union has no commercial interest The caterer of the restaurant attached to the Union has a separate meter and has been paying for water consumed by him separately The members of the Union are using water only for sanitary purposes

The Union had been given a free allowance of 15,000 gallon per month from August 1937 This was reduced by the Water Supply Department to 10,000 gallons in April 1940, with effect from October 1939, and was subsequently withdrawn entirely with effect from the same date in February 1942 The Union has paid charges up to February 1942 on the basis of the reduced free allowance of 10,000 gallons per month The arrears now claimed as a result of the entire withdrawal of the free allowance amount to Rs 278/-

The entire withdrawal of the concession without any notice from over two years previously necessitates payment of heavy arrears in a lumpsum, and this has placed the Union in a

a seriously awkward position Since the Union is one of the University Institutions and is essentially meant for cultural activities by the members of the teaching staff and the students of the colleges, outside the college hours, I request that the Union may be classed as an Education or University Institution and allowed the concessional rate of Re 0-8-0 per 1000 gallons without any free allowance as in the case of the Central College, if it is not possible to waive the claim for arrears and exempt the Union from the payment of water charges altogether.

I have the honour to be,
Sir,
Your most obedient servant,

Chas Kuhanan Nair

Registrar

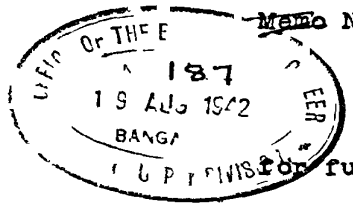
Memo No 85 / 1 Fee

Dated, Bangalore, the 15 August 1942



Forwarded to the Executive Engineer, Water Supply Division, for furnishing his remarks in the matter and early return of the papers

For Chief Engineer of Mysore

A K /14th

Resubmitted-

The Union is classed as a Recreational Institution under Rule 4 of the Water Supply Regulation and to treat this as Education or University Institution is possible, if it is taken as an adjunct to the College activities If the concessional rate of annas eight per 1,000 gallons without free allowance is granted there will be a loss of Municipal Revenue to an extent of Rs.70/- per year

Executive Engineer,
Water Supply Division

Subject re file no 85
15842
from the Chief Engineer
re Concessional Rate of
Annas 8/ per 1000 gallons
to be charged to the University
Union treating the same
as an Educational or
University Institution

The Registrar has again addressed the Secretary Law department to reconsider the case of the University Union stating that at least the Institution may be treated as an Educational or University Institution and allowed the Concessional Rate of 8 annas per 1000 gallons without any free allowance It is further stated that the Union has no Communal interest and the members of the Union are using water for sanitary purposes

If approved the following reply
